WORK EXPERIENCE

- 2012 - 2015 ● **Administration assistant**
CGM Developments UK Ltd
- During the summers whilst at university I worked as an admin assistant at a property development company. My responsibilities included; maintaining systems used for expenditure monitoring, liaising with contractors and assisting with calculating the financial viability of projects. These responsibilities allowed me to develop not only my technical skills but also my communication and self-management skills
- 2011 - 2012 ● **Electricians' assistant**
TS Electricals
- During the year between finishing college and starting university I worked as an electricians assistant where my responsibilities were to assist an electrician in all aspects on electrical installation.
- 2007 - 2008 ● **Customer Service**
B&Q
- After leaving school I worked as a customer service assistant at B&Q where my responsibilities were to assist customers with all queries.

EDUCATION

- 2012 - 2015 ● **BSc Computer and Network Technology**
School of engineering and technology - IEEE Accredited course
University of Hertfordshire
- Overall grade - 1st Class Hons
- 1st Year grade – 71%
2nd Year grade – 77%
3rd Year grade – 80%
- 2015 - 2016 ● **Makers Academy**
www.makersacademy.com
- Web development bootcamp, London
- 4 month intensive web development bootcamp to build upon skills and interests learnt and university.
- 2009 - 2011 ● **BTEC National Diploma - Information Technology**
West Suffolk College
- Grade – DDM (320 UCAS points)

ABOUT ME?

I am passionate about coding using industry best practices. I like to constantly learn and be challenged.

As well as the specific skills listed below i also have experience with pair programming, agile methodologies and have a deep knowledge of computing as a whole.

I am currently looking for a junior/graduate developer role so i can continue to grow and improve as a developer.
